WARREN COUNTY
SPEECH LANGUAGE HEARING
ASSOCIATION

What is WCSLHA?

The Warren County Speech Language and Hearing Association is a nonprofit organization dedicated to increasing the knowledge of speech therapists. By holding affordable bi-annual workshops the association offers speech therapists and educators a chance to hear experts in a variety of subject areas. The workshops are accredited by the state of New Jersey and count as both contact hours for state mandated hours and as continuing education units (CEU) for ASHA. Consider becoming a member today!
